Dear Mr. Macysyn:

Thank you for your comments in response to the Office of Licensing's proposed readoption with amendments of N.J.A.C. 10:122, Manual of Requirements for Child Care Centers, published in the September 19, 2016, issue of the New Jersey Register.

This is to acknowledge receipt of your comments and to assure you that your comments will be considered fully during the review that is now underway. Thank you for your interest in the work of the Office of Licensing.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Wentworth".
